

Texturas **Sucro**

Kirsch air

For the 30% syrup

- 100 g water
- 30 g sugar

- 1 Mix the water with the sugar and bring to the boil.
- 2 Take off the heat and keep in the fridge.

For the kirsch air

- 450 g kirsch
- 220 g water
- 30 g syrup 30% (preparation above)
- 5 g Sucro

- 1 Mix the kirsch in a saucepan with the rest of ingredients.
- 2 Move the blender over the surface of the kirsch air mix to emulsify and obtain a stable air.
