Fizzy Lyoraspberry rock

For the Fizzy Lyoraspberry rock

- 250 g sugar
- 100 g water
- 50 g Fizzy
- the grated peel of 1 lime
- 10 g powdered Lyoraspberries

- 1 Mix the water and the sugar in a saucepan and cook at 130 °C.
- 2 Take off the heat and leave until it reaches 140 °C with its own heat
- 3 Add Fizzy, powdered Lyoraspberries and the grated peel of the lime and stir so that everything dissolves completely.
- 4 Throw the rocks into a box lined with Silpat and leave to cool.
- 5 Break the rocks as desired.
